TRAVEL TIPS

WHEN TO GO

The USA is a large country and climates and weather vary greatly by season and location.

In spring (March – May) temperatures begin to warm up. It's the perfect time to visit national parks, as waterfalls are flowing and flowers are in bloom. Travel to Washington, D.C. in between March and April to see the famed National Cherry Blossom Festival.

During summer (June – August), northern states enjoy warm days and cooler mornings and nights, while the southern states experience very hot temperatures. This is the perfect time to enjoy the great outdoors.

Temperatures begin to cool down around the country during the autumn months (September – November). Marvel at the beautiful shades of red, yellow and orange as the leaves change in New England. Autumn is a great time to visit as the country celebrates Halloween on 31 October and Thanksgiving on the fourth Thursday of November.

Winter (December – February) is fairly mild in the southern states, while in the northern, north eastern, mid-western states often encounter snow and colder temperatures. Watch holiday parades and admire amazing decorations over the Christmas period.

VISAS & PASSPORTS

All travellers to the USA must carry a passport valid for at least six months beyond the date of departure from Australia and obtain the Electronic System for Travel Authorisation (ESTA) prior to travel, see www.cbp.gov/esta for more details. As visa information can change at any time, we recommend you seek advice regarding passports, visas, and other travel requirements for the countries you intend visiting, from the Australian Government at smarttraveller.gov.au

CURRENCY

The US Dollar (USD) is the official unit of currency in the USA.

TIPPING

Tipping is expected in restaurants, bars and taxis. As a guide expect to pay 15% to 20% of the bill, USD1 per bag for hotel porters and 10% of the tour price for tour guides.

TIME

There are four main time zones in the USA. Pacific Time is 17 hours behind Australian Eastern Standard Time (AEST), Mountain Time is 16 hours behind AEST, Central Time is 15 hours behind AEST, Eastern Time is 14 hours behind AEST.

All states in the USA observe Daylight Saving Time (except Arizona), from the second Sunday in March to the first Sunday in November when clocks are turned forward by one hour.

ELECTRICITY

110V 60Hz. An adapter is required.

ACCOMMODATION FEES

Many properties in the North America charge a mandatory fee, which is not included in the listed 'From' price. This fee covers a range of amenities and services provided by the hotel such as Wi-Fi, fitness centre access, or pool usage. Fees are payable direct to your accommodation on check out, unless otherwise specified. The reasoning behind mandatory fees is to streamline the billing process and provide guests with a comprehensive package of amenities. Fees and their inclusions are subject to change, and you should check with your travel agent at the time of booking.

Disneyland Resort Tickets price valid for arrivals 1 Apr – 31 Dec 25. Availability can change until a reservation is finalised. A park reservation must be made for each day of entry. If you have a multi-day ticket, you will be required to make a park reservation for each date of your visit. Park reservations for select dates and parks may be made in advance for a period of time, on a rolling basis, as determined by Disney and as set forth on the applicable park reservation availability calendars. A theme park reservation does not guarantee park admission or access to any experience, attraction or offering. Certain attractions, experiences, services and offerings may be modified or unavailable, may be limited in capacity and may be subject to limited availability or even closure. Offerings are not guaranteed. All *Disneyland* Resort multi-day tickets expire 13 days after first use, or 12 January 26, whichever occurs first. All tickets and options are non-transferable and exclude activities/events separately priced. #When you purchase a *Park Hopper* ticket and an appropriate park reservation you may cross over and switch between parks on the same day beginning at 1pm (subject to availability). After 1pm, guests with *Park Hopper* tickets who have a park reservation for both parks and who have not entered any park yet, may enter either park despite the first park that is designated in their park reservation. A park reservation is not required for the other park after visiting the first park.

Park Reservations

Before you visit a park, you must first purchase a ticket and make a park reservation for each day you plan to visit. To enter a theme park, each Guest (age 3 and older) is required to have both valid admission and a park reservation, for the same date and same park, for each day of your visit. You must use the same admission for park entry that was used to make the associated theme park reservation. You can book your park reservation by using your *My Disney Experience* account.

BOOKING CONDITIONS

Please read these Booking Conditions carefully as they apply to all bookings with Viva Holidays.

HOW TO BOOK

Contact your ATAS travel agent and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was produced on 25 October 2024. Unless otherwise stated, prices are in Australian dollars and include GST where applicable. Exchange rates used when pricing this brochure are as at 15 October 2024. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Prices are to be used as a guide only. Accommodation prices are based on the lowest room category in low season. All other prices are based on travel in low season. Some prices are based on dynamic rates, which means the price may be higher or lower than the advertised price if the price has been varied by the supplier after this brochure was printed. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges, or increases to taxes. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur. All errors and omissions identified post the date of publication are notified to our retail partners to advise you. Please check with your agent for all up-to-date corrections, including prices and inclusions.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified at the time of booking if any additional deposit is required. All deposits are non-refundable for changes of mind or cancellations by you (subject to your rights under the Australian Consumer Law).

Final Payment

Final payment of your holiday cost is required no later than 30 days prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services may require full payment at the time of booking. For bookings made less than 31 days prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Viva Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Viva Holidays.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Fees may vary depending on card type. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to Final Payment

Your deposit is forfeited.

After Final Payment

There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After Travel

There will be no refund if you cancel your booking once travel has commenced. There will be no refund for unused services, except for OPEN DATED services where the service was not booked with the Supplier. Requests for refunds received more than 6 months after departure date will not be accepted.

Should a refund after departure be approved, a \$110 refund processing fee will apply.
